### § 563f.1 Authority, purpose, and scope.

(a) *Authority.* This part is issued under the provisions of the Depository Institution Management Interlocks Act (Interlocks Act) (12 U.S.C. 3201 *et seq.*), as amended.

(b) *Purpose.* The purpose of the Interlocks Act and this part is to foster competition by generally prohibiting a management official from serving two nonaffiliated depository organizations in situations where the management interlock likely would have an anti-competitive effect.

(c) *Scope.* This part applies to management officials of savings associations, savings and loan holding companies, and affiliates of either.

### § 563f.2 Definitions.

For purposes of this part, the following definitions apply:

"Immediate family" means spouse, mother, father, child, grandchild, sister, brother, or any of their spouses, whether or not any of their shares are held in trust.

(2) For purposes of section 202(3)(B) of the Interlocks Act (12 U.S.C. 3201(3)(B)), an affiliate relationship involving a savings association or savings and loan holding company based on common ownership does not exist if the OTS determines, after giving the affected persons the opportunity to respond, that the asserted affiliation was established in order to avoid the prohibitions of the Interlocks Act and does not represent a true commonality of interest between the depository organizations. In making this determination, the OTS considers, among other things, whether a person, including members of his or her immediate family, whose shares are necessary to constitute the group owns a nominal percentage of
